We appreciate that each booking is a unique special occasion and we will work with you to insure that our catering service delivers everything you require for you and your guests. Hooked N Cooked is totally self sufficient with no need for power or water. We arrive at your venue approximately 30 minutes before you would like your guests serving, then cook on site and serve your chosen meal fresh to your guests. Each meal is served in sturdy biodegradable trays (not polystyrene) which is of very high quality and allows the food to breath and is easy to eat from. We also supply sporks, salt, vinegar, Heinz Ketchup and napkins.

All our produce is prepared fresh on the day of the booking. Our fish is cut and weighed in our temperature controlled preparation kitchen and is permanently maintained at the optimum temperature required to keep the fish fresh and contain all of the nutrients and goodness that make for a perfect tasting fish. Our fresh chips are prepared and delivered by a bespoke supplier who specialise in sourcing the best potatoes and producing the perfect cut fresh chips, which are supplied in vacuum packed bags and kept at the optimum temperature to produce the ideal delicious 'Chippy Chips'.

All our side orders are also prepared on the day of the booking and our Mushy Peas are cooked and seasoned fresh on the day of the booking.
